Thank you for your interest in adopting a cat/kitten through Cat Crew Rescue. We are a small, all volunteer, rescue in Bergen County, NJ. Our aim is to help homeless cats get the medical attention they need, and ultimately find loving homes. The animals available for adoption came here from a variety of sources. All animals are examined upon entry and spayed/neutered, tested for FIV/FelV, vaccinated and de-wormed. Their health is routinely monitored while in foster care, but there is always a chance that an animal is incubating a disease without showing any clinical signs. Please understand that any adopted animal is the sole responsibility of the adopter although Cat Crew Rescue is here to help where possible.

To be considered as an adopter you must be: 21 years of age or older, have the knowledge and consent of your landlord if applicable, and be able and willing to spend the time and money necessary to provide medical treatment and proper care of the cat. At any time, Cat Crew Rescue has the right to void any approved adoption.
